

Developing Character: A Theatrical Dance Workshop

Sunday, February 18
12:30-3:00 p.m.

The Dance Complex
Cambridge, MA

Actor Vincent Ernest Siders & dancer Johara Boston will focus on the place where dance and theater intersect. For all styles of dance. We'll take you step by step through the process of developing a character who can authentically relate to the other performers and the audience. This workshop will give you both the experience of delving into a character and a toolbox of techniques to take home. Participants will have the opportunity to get feedback in a supportive atmosphere that has been created.
